

# TOURNAMENT 2010

**We held our annual junior tournament on 25th April 2010.**

The day went well with 35 archers shooting. Despite a bit of rain at lunchtime we had good weather and things went well.

The tournament also included the Annual Cheshire versus Lancashire competition, which Cheshire won by a big margin.

The club provided catering on the day with a variety of hot and cold food and drinks available. Plus a raffle with a star prize of a Vanguard hard recurve bow case.

Next year's tournament may be held later in the year around the middle of May.

Big thanks to all those who came to help out on the day.

Lady Paramount awards the medals

The days shooting begins

The winning Cheshire Team

## Family Rates

The club is beginning a new fee system. A Family Rate is to be added to supplement the current fees.  
 2 Adults + 2 or more children have a rate of £20.  
 1 Adult + 2 or more children has a rate of £15.

## Tuning Day

A tuning day will be set in the summer season. Due to the necessity for calm weather an exact date can't be set until the morning of the shoot.

## American Shoot

Another American shoot has been arranged for the 4th July. We are hoping to invite another club in a repeat of last year's American shoot. On the day medals are up for grabs. Don't forget to bring some food for the BBQ.

## Club Shirts

Polo shirts bearing the club logo are available for purchase through Hannah, at a cost of £12.50 each.

## Club Championships

A Club Championship is set for September 26th. It will be a full day of shooting using the York & Bristol rounds. Medals will be awarded based on handicap results and the BBQ is available to anyone who wishes to bring food.

## School Music Festival

On Friday 9th July the school will be holding its Annual Music Festival. The entire field will be in use so there will be no club shooting, but we will be holding a 'Have-a-go' session for those attending the Festival. We will need helpers on the day, between 12.00 noon and 7.00 pm.

## Cloak King

The second cloak of the season was held on 6th June. And after a fine days shooting, we have a new Cloak King. Neil Harkin with an amazing score of over 170, left the rest of the shooters way behind.

# WELSH WHIT WESTERN

This year's Welsh Whit Western was held on 31st May, at the Corus Dee Side Cricket Ground and was attended by several members of the club.

They were Hannah, John, Ian, Jay, Steve, Chris and Marc. A great day out was had by all, the weather was sunny and mostly calm with almost no wind, so scores were good.

Hannah, having won silver last year was determined to do better this year and although she beat last years winner, she once again had to settle for silver!

Ian was awarded the bronze in the Men's recurve, but after a recount it was discovered he had actually finish fifth, better luck next time Ian.

Hannah all smiles after winning silver

# SILVER ARROW

This year's winner Tom.

The outdoor season has arrived and was started with the Silver Arrow Tournament. This handicap tournament was open to everyone. With last years winner Steve unable to defend his title the arrow was up for grabs.

A good turn out of senior and junior archers, saw the competition a close run thing, but there can be only one winner and this year the arrow once again went to a junior, Tom Harvey.

This made two victories in a row for Tom having won the first Coat of the season just a few weeks earlier.

The BBQ was also well attended with many sausages and burgers going down well!

# SHOOTING NIGHTS

We have the opportunity to change the mid-week nights for shooting. In the past we have always shot on the Wednesday and Friday, but we can change this by popular vote. If anyone would prefer to shoot on a different night, please let Hannah know, as soon as possible.

## Did you know?

1457 AD - James II, King of England, first decreed that the sports of football and golf should be banned as they interfered with archery practise.
